Wage detail

Base hourly wage **\$53.12/hr**

Straight-time journeyman inside wireman rate on the current wage sheet, before fringes.

Total package **\$93.50/hr**

Wage plus all employer-paid benefit and fringe contributions per hour worked.

Approximate annual wage **\$106,240/yr**

Derived: base hourly × 2,000 hours. Actual earnings depend on hours dispatched, overtime and travel.

Effective date **November 23, 2022**

Date this rate took effect under the agreement, as printed on the unionpayscales.com wage sheet.

Classification **Journeyman Inside Wireman**

Rate applies to this classification only. Apprentice steps, foremen and shift work are paid on separate lines of the wage sheet.

Benefits & fringe contributions

Roughly 43% of the IBEW Local 400 package is employer-paid benefits and fringes rather than wages, which is why the package figure and a take-home hourly rate are not the same number.

Benefit & fringe contributions **\$40.38/hr**

Derived: total package minus base wage. This is the employer's combined hourly contribution to the funds, not take-home pay.

What the contributions fund **Health & welfare, pension, annuity, training and industry funds**

Standard fund categories in mechanical and electrical agreements. The exact split between funds is set in the local's agreement — the hall or fund office publishes the schedule.

Paid on **Every hour worked**

Fringe contributions are made per hour worked, so they scale with dispatched hours and are paid to the funds rather than to the member.
