Benefits & fringe contributions

Roughly 50% of the UA Local 112 package is employer-paid benefits and fringes rather than wages, which is why the package figure and a take-home hourly rate are not the same number.

Benefit & fringe contributions

\$31.70/hr

Printed as the fringe line on U.S. Department of Labor, Wage and Hour Division determination NY20260002, schedule PLUM0112-019.

What the contributions fund

Health & welfare, pension, annuity, training and industry funds

Standard fund categories in mechanical and electrical agreements. The exact split between funds is set in the local's agreement — the hall or fund office publishes the schedule.

Paid on

Every hour worked

Fringe contributions are made per hour worked, so they scale with dispatched hours and are paid to the funds rather than to the member.

Stale — verify. U.S. Department of Labor Davis-Bacon general wage determination NY20260002 (rev 2), building, heavy, highway construction, PLUM0112-019 05/01/2023: base rate \$31.40 plus printed fringes \$31.70 still carries this rate, but the negotiated line is over three years old and a new CBA cycle is almost certainly in force. Treat it as a floor, not a quote — call the local for the current step.
