Total package **\$46.35/hr**

Wage plus all employer-paid benefit and fringe contributions per hour worked.

Approximate annual wage **\$62,000/yr**

Derived: base hourly × 2,000 hours. Actual earnings depend on hours dispatched, overtime and travel.

Effective date **August 1, 2025**

Date this rate took effect under the agreement, as printed on the U.S. Department of Labor Davis-Bacon general wage determination LA20260018 (rev 1), building construction, PLUM0141-009 08/01/2025: base rate \$31.00 plus printed fringes \$15.35 wage determination.

Classification **PLUMBER (INCLUDING HVAC PIPE INSTALLATION)**

Rate applies to this classification only. Apprentice steps, foremen and shift work are paid on separate lines of the wage determination.

Benefits & fringe contributions

Roughly 33% of the UA Local 141 package is employer-paid benefits and fringes rather than wages, which is why the package figure and a take-home hourly rate are not the same number.

Benefit & fringe contributions **\$15.35/hr**

Printed as the fringe line on U.S. Department of Labor, Wage and Hour Division determination LA20260018, schedule PLUM0141-009.

What the contributions fund **Health & welfare, pension, annuity, training and industry funds**

Standard fund categories in mechanical and electrical agreements. The exact split between funds is set in the local's agreement — the hall or fund office publishes the schedule.

Paid on **Every hour worked**

Fringe contributions are made per hour worked, so they scale with dispatched hours and are paid to the funds rather than to the member.
