Total package

\$57.28/hr

Classification **Nebraska panhandle (Banner, Box Butte, Dawes, Kimball, Morrill, Scotts Bluff, Sioux counties)**

Rate applies to this classification only. Apprentice steps, foremen and shift work are paid on separate lines of the wage determination.

Benefits & fringe contributions

Roughly 39% of the UA Local 192 package is employer-paid benefits and fringes rather than wages, which is why the package figure and a take-home hourly rate are not the same number.

Benefit & fringe contributions

\$22.40/hr

Derived: total package minus base wage. This is the employer's combined hourly contribution to the funds, not take-home pay.

What the contributions fund

Health & welfare, pension, annuity, training and industry funds

Standard fund categories in mechanical and electrical agreements. The exact split between funds is set in the local's agreement — the hall or fund office publishes the schedule.

Paid on

Every hour worked

Fringe contributions are made per hour worked, so they scale with dispatched hours and are paid to the funds rather than to the member.

Stale — verify. U.S. DOL Davis-Bacon General Decision NE20260079 (Building), union rate line PLUM0192-002 still carries this rate, but the negotiated line is over three years old and a new CBA cycle is almost certainly in force. Treat it as a floor, not a quote — call the local for the current step.
