Wage detail

Base hourly wage	\$60.77/hr
Straight-time combo rate on the current wage sheet, before fringes.	
Total package	\$92.22/hr
Wage plus all employer-paid benefit and fringe contributions per hour worked.	
Approximate annual wage	\$121,540/yr
Derived: base hourly × 2,000 hours. Actual earnings depend on hours dispatched, overtime and travel.	
Effective date	May 10, 2025
Date this rate took effect under the agreement, as printed on the unionpayscales.com wage sheet.	
Classification	Combo
Rate applies to this classification only. Apprentice steps, foremen and shift work are paid on separate lines of the wage sheet.	
Benefits & fringe contributions	

Roughly 34% of the UA Local 290 package is employer-paid benefits and fringes rather than wages, which is why the package figure and a take-home hourly rate are not the same number.

Benefit & fringe contributions	\$31.45/hr
Derived: total package minus base wage. This is the employer's combined hourly contribution to the funds, not take-home pay.	
What the contributions fund	Health & welfare, pension, annuity, training and industry funds
Standard fund categories in mechanical and electrical agreements. The exact split between funds is set in the local's agreement — the hall or fund office publishes the schedule.	
Paid on	Every hour worked
Fringe contributions are made per hour worked, so they scale with dispatched hours and are paid to the funds rather than to the member.
