Benefits & fringe contributions

Roughly 48% of the UA Local 565 package is employer-paid benefits and fringes rather than wages, which is why the package figure and a take-home hourly rate are not the same number.

Benefit & fringe contributions **\$37.63/hr**

Printed as the fringe line on U.S. Department of Labor, Wage and Hour Division determination WV20260023, schedule PLUM0565-004.

What the contributions fund **Health & welfare, pension, annuity, training and industry funds**

Standard fund categories in mechanical and electrical agreements. The exact split between funds is set in the local's agreement — the hall or fund office publishes the schedule.

Paid on **Every hour worked**

Fringe contributions are made per hour worked, so they scale with dispatched hours and are paid to the funds rather than to the member.
