## Benefits & fringe contributions

Roughly 29% of the UA Local 719 package is employer-paid benefits and fringes rather than wages, which is why the package figure and a take-home hourly rate are not the same number.

**Benefit & fringe contributions** **\$13.90/hr**

Derived: total package minus base wage. This is the employer's combined hourly contribution to the funds, not take-home pay.

**What the contributions fund** **Health & welfare, pension, annuity, training and industry funds**

Standard fund categories in mechanical and electrical agreements. The exact split between funds is set in the local's agreement — the hall or fund office publishes the schedule.

**Paid on** **Every hour worked**

Fringe contributions are made per hour worked, so they scale with dispatched hours and are paid to the funds rather than to the member.
