UA Local 9 pays hvac service tech members \$45.23/hr in straight-time wages, and \$72.34/hr once benefit and fringe contributions are added, effective June 12, 2024 per the unionpayscales.com wage sheet. Rates change with each contract cycle — confirm the current step with the Central New Jersey, NJ hall before quoting an offer.

Wage detail

Base hourly wage **\$45.23/hr**

Straight-time hvac service tech rate on the current wage sheet, before fringes.

Total package **\$72.34/hr**

Wage plus all employer-paid benefit and fringe contributions per hour worked.

Approximate annual wage **\$90,460/yr**

Derived: base hourly × 2,000 hours. Actual earnings depend on hours dispatched, overtime and travel.

Effective date **June 12, 2024**

Date this rate took effect under the agreement, as printed on the unionpayscales.com wage sheet.

Classification **HVAC Service Tech**

Rate applies to this classification only. Apprentice steps, foremen and shift work are paid on separate lines of the wage sheet.

Benefits & fringe contributions

Roughly 37% of the UA Local 9 package is employer-paid benefits and fringes rather than wages, which is why the package figure and a take-home hourly rate are not the same number.

Benefit & fringe contributions **\$27.11/hr**

Derived: total package minus base wage. This is the employer's combined hourly contribution to the funds, not take-home pay.

What the contributions fund **Health & welfare, pension, annuity, training and industry funds**

Standard fund categories in mechanical and electrical agreements. The exact split between funds is set in the local's agreement — the hall or fund office publishes the schedule.

Paid on **Every hour worked**

Fringe contributions are made per hour worked, so they scale with dispatched hours and are paid to the funds rather than to the member.
